The Western Canadian Championship Horse Show competition is sanctioned as a Silver competition member of Equestrian Canada 308 Legget Drive, Suite 100, Ottawa, Ontario, K2K 1Y6 and is governed by the rules of EC.

STATEMENT OF PRINCIPLES

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to the humane treatment of horses in all activities under its jurisdiction. All Persons shall be committed to:

- upholding the welfare of all horses, regardless of value, as a primary consideration in all activities;
- requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment;
- ensuring that all Equestrians including owners, trainers and competitors, or their respective agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose;
- providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure;
- providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives;
- continuing to support scientific studies on equine health and welfare;
- requiring owners, trainers and competitors to know and follow their sanctioning organization's rules, and to work within industry regulations in all equestrian competitions; and
- actively promoting the development of and adherence to competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person who is informed and experienced in generally accepted equine training and competition procedures would determine to be neither cruel, abusive, nor inhumane.

The Show Committee reserves the right to add, amend or delete any point not covered by the rules & to correct any error or make any necessary changes in the Prize List or Program. The Show Committee reserves the right to add classes or make necessary changes to tentative schedule but will exercise this with ample notice given to competitors affected by changes.

SPONSORSHIPS

** Without the support of our sponsors, our shows would not be possible. ASHA of Alberta has a variety of sponsorship packages. RULES AND REGULATIONS

1. Per Article A801, every entry at an EC-sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and horse shall be subject to EC constitution and all rules of EC and any additional rules set by the competition. It is the responsibility of all individuals participating in the EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of the EC and the additional rules, if any, imposed by the competition. Do not participate in this EC-sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition
2. Per Article A602.2 Every class offered herein is covered by the rules and specifications of the current rules of EC and will be held and judged in accordance with the EC Rule Book
3. **Calling of classes is a courtesy only.** Competitors failing check-in at the hitching ring may have their animals excluded from their class.
4. Any classes, of the same division, may be cancelled or combined at the discretion of the show committee. Entrants shall be notified. All changes will be posted at the show office. Additions to class lists may be considered by the Show Committee.
5. **Gate holds** are allowed at the discretion of the Show Committee and must be requested through the Hitching Ring personnel or Show Office well before the class (preferably before the session starts). The show committee will make every effort to accommodate tack changes and time restriction will be 3 minutes. Tack changes to be completed in the hitching area.
6. Upon any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider or driver, the owner may forfeit his/her entry fee and such action will be reported to the EC. The show committee reserves the right to remove any person or horse from the show without being liable for compensation.
7. Should any dispute or question arise, not provided for in the rules, it shall be referred to the show committee.
8. Grooms and attendants are to appear in the ring neat, clean and suitably attired.
9. No person other than officials, steward and attendants on duty may enter the show ring without permission of the steward or show secretary.
10. The Judge's decision is final in all classes. No one will approach the Judge with regard to a decision unless he/she first obtains permission from the Show Committee or Steward who shall arrange an appointment with the Judge at a proper time and place. No person may enter the space set apart for the Judge or hold communication

with the Judge or examining Veterinarian without permission.

11. To be "shown and judged" in a class, an animal must perform the prescribed routine and must remain in the ring until excused by the judge.
12. **SAFETY REGULATION:** EC Article A905.2 states that "Junior competitors must wear properly fitted, approved protective headgear, with the safety harness correctly secured, at all times while mounted or riding on a horse-drawn vehicle on the competition or event grounds. Approved headgear must be certified by SEI or the American Society for Testing Material (ASTM) or the British Standards Institution (BSI/BS EC) standard." At present, if the junior is competing in a discipline or breed whose rules specify other headgear (e.g. western hats or derbies) those rules supersede the above rule. However, almost all breeds and disciplines do allow protective headgear with no penalty, and we urge their members to put safety ahead of tradition and adopt the new rule.
13. **Calnash Ag Event – Information for facility use:**
 - Garbage cans are to be used – do not leave garbage in stalls or dressing rooms.
 - Do not dump water buckets in stalls. Please dump at wash bay, outside or tubs will be provided upon request.
 - Hoof black - please note a floor protector must be placed down prior to any use of hoof black. Hoof black on the floor or walls of the stalls or alley greatly detracts from the look of the facility & additional cleaning is required. If protectors are not used, hoof black penalties will be assessed.
 - Please do not leave piles of manure in 'Ready' room stalls. Manure buckets can be dumped in the alley when you move out.
 - Please insure there is nothing nailed, stapled or tacked on or inside the stalls. Boards can be provided for this purpose. Please check at the Barn office for availability.
 - Please monitor children playing in and around the barn.
 - All dogs must be kept on a leash on the show grounds. **Dogs are NOT allowed in any of the Ag-Events Center Buildings including the Barn.**
14. **Bikes/Scooters/Skate Boards are NOT to be ridden in the Barn or area between the Barn and Arena.**
15. **Lunging of horses will be restricted to the warm up ring only and will not be permitted in the main show ring at any time for the duration of the show. Competitors are encouraged to exercise caution and courtesy at all times when working horses in the warm up areas before and/or during the show.**
16. Horses will be permitted to leave the show grounds during the competition and return as necessary.
17. **Accidents and Return to Play-**This rule is applicable to all competitors (including foreign) at EC sanctioned events and applies to falls/accidents that occur at the event location. In the event of a fall/accident where concussion

can be reasonably suspected, (not limited to a direct blow to the head or loss of consciousness), the competitor must receive medical clearance by qualified medical personnel onsite, through the EC Accident Injury Report Form before continuing. The competitor is solely responsible for ensuring the onsite medical assessment takes place by the onsite qualified medical personnel. If the competitor refuses to be evaluated, he/she is disqualified from the event. If the qualified medical personnel suspects a concussion (regardless of symptoms displayed), or believes that the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor is suspended from competition until medically released, as outlined in paragraph 6 below. In the case of the preceding paragraphs, an EC Accident/Injury Report Form must be completed by either: the attending Steward, Technical Delegate or the attending qualified medical personnel onsite and submitted to EC within 24 hours of the occurrence. It is the Steward's/Technical Delegate's responsibility to ensure forms are complete and submitted on time. Any competitor suspended from competing further at the event on the basis of any of the preceding paragraphs will be placed on a medical suspension list, managed by EC, until medically released as in the process described in paragraph 6. In the event a competitor is determined ineligible to compete per one of the above conditions, the competitor must submit the EC Return to Play Form to EC, completed by a licensed physician. The EC Return to Play Form will be processed by EC within two business days, at which point the competitor will be removed from the EC Medical Suspension list and may return to regular competition. If the competitor wishes to compete after being medically released by a physician but before the EC processing period of the form, the competitor must also submit a copy of the EC Return to Play Form to the show secretary. In this case the competitor is competing at their own risk and may be pursuant to fines and penalties if the form is found to be incomplete in any way. No competitor shall compete in an EC sanctioned event while on the EC Medical Suspension List. It is the responsibility of the competitor to refrain from competition and the competition organizer may refuse entry to anyone on the EC Medical Suspension List. These rules also apply to EC sanctioned competitors competing in FEI and USEF competitions.
