Entry fee is \$250.00. Entries are due on or before closing date of entries for the Jubilee Regional Championship show. Post entries are accepted until 3 p.m. of the day preceding the class at additional post entry fee of \$250.00.

form of the Jubilee Regional Championship show and returned to the show secretary. No refunds of entry fees will be made without a Vet's certificate.

All owners must provide their Social Security numbers on their entries in order to receive potential prize money. <u>NO winnings can be paid out until ALL payees have satisfied this requirement</u>.

JUDGING PROCEDURE

The Morgan Weanling Gala will be conducted in two rounds with three Judges officiating. Each round will be scored separately and no scores will carry over from round one to round two. USEF rules will prevail.

FIRST ROUND

In the first round, each foal will show individually.

A random drawing will be held on the day preceding the class to determine the order of appearance of each foal. Any owner or trainer who is showing more than one entry and draws consecutive spots will be given a new draw.

After entering the ring, each foal will have up to two minutes in which to be judged. The entry shall be judged standing and then at the trot. The handler then has the remainder of the two minutes to show the entry to its best advantage. At the end of the time allotment, the entry must immediately leave the ring.

Each entry must be waiting at the in-gate for its turn. Any entry showing out of order will have 5 points per judges' card deducted from their score.

In Round One, each judge may award a numerical score from 1 to 100, 100 being the highest score.

After each entry has shown, the three judges' scores will be added together to arrive at a final Round One score for the entry.

The top ten scoring entries (eleven if there is a tie for 10th) will advance to round two. All scores from both rounds will be posted on the day following the class. When the final entry has been judged, show officials will tabulate the scores. The top ten scoring weanlings (eleven if there is a tie for 10th place) will be asked to return for Round Two.

ROUND TWO

After a short break, the ten foals (eleven foals if there is a tie for 10th place), will be asked to return to the ring for final judging in Round Two.

These entries shall enter the ring in random order. These entries will then be judged in order of line up, both standing and at the trot.

In Round Two, one judge will be designated as the call judge and the Majority Opinion System will be used.

After all entries have been judged, the judges may ask to compare certain entries before marking and signing their cards.

The judging cards will then be tabulated and Champion through 10th place will be awarded in reverse order.

ENTRY LIST

A numerical list of entries, order of appearance, sire and dam listing, and owner/handler information will be provided to the exhibitors and spectators by the Morgan Weanling Gala.

JUDGES SELECTION

The judging selection will be determined by the Jubilee Regional Championship show.

The one primary judge hired by the horse show plus two judges hired by the MWG shall officiate the Morgan Weanling Gala class.

REGISTRATION

Any entry placing 1st through 10th in the Morgan Weanling Gala class must be registered with the American Morgan Horse Association. If the entry is not yet registered, it will be DNAed immediately following the class. This DNA may be used in the registration of the entry. The DNA fee and any applicable veterinary fees will be deducted from that entry's prize money. All prize money recipients will have to be DNA verified if they are not previously registered. No payout of awards can be made until all ten winners have been registered with AMHA.

NET PAYOUT

The prize money payout will be determined by the number of stallions nominated for each year's program and will be paid to the top ten winners and their sires as described below. Prize money will be awarded after all ten winners have been registered with AMHA. The total amount of prize money paid to the Top Ten placings shall be the sum of the Sire Nomination Fees received in that year ("Payout"). The Payout is distributed among the Top Ten placings according to the fixed Percentages indicated below with a fixed amount paid to the Sire Nominator and the variable balance paid to the Weanling.

The percentage distribution is as follows:

Showtime Stall Mats

Our stall mats are rented for an industry-low flat rate of \$75 per stall, for the length of the show. Our rate equals out to about the cost of a bag of shavings per day of the show.

The best part is that we do the work for you! That's right, after you put your order in, will have the stalls matted for you when you arrive. After you're done at the show, simply load up and go. We will retrieve the mats, and most importantly, they will be washed, disinfected, and sanitized in preparation for the next show. Utilizing our service will help reduce the amount of bedding necessary, and will help safe guard your horse from those nasty bumps, bruises, and hock rubs that can occur while stalled on the cement.
