# Welcome!

We are so excited to bring you the 3rd Annual Mid-Atlantic Charity Horse Show! Last year was a big success to include a full slate of classes plus the **Summer Olympic Academy Finals** with a 3 judge panel. We are sure this year's show will be even better!

Once again, we've been working hard to ensure that our show will give every trainer a reason to "Bring the Whole Barn"! We are offering ASB Classes, Opportunity Classes and the special Academy program.

For those of you who are interested in High Point Awards, MAC will be double pointed through ASHA – NJ and single pointed through PSHA.

We know that exhibitors love to party and here at MAC, hospitality is the name of the game. Please be sure to join us for our Friday Night Ringside Appetizer & Cocktail Hour during the evening session. Saturday evening will be an Exhibitor Party which takes place after the last class. You will find daily hospitality in the morning of coffee and donuts in the stall barns at Millstone Riding Club.

To those who joined us last year, we are looking forward to welcoming you back! For those who didn't make it last year, we hope to see you at the Dream Park on July 19, 2019! In the meantime, be sure to "Like" our Facebook Page for the most up-to-date information at [www.facebook.com/MACHorseShow](https://www.facebook.com/MACHorseShow) #BackTheMAC, #ShowLocal

### UPHA WHO WE ARE

The United Professional Horsemen's Association was founded in 1968 by a group of professional horse trainers who recognized the need for an organization in which professional horsemen and horsewomen could unite to improve the horse show industry and define and clarify their professionalism within the industry. UPHA active membership is open to anyone who has been a bona fide professional horse trainer for a period of one year prior to application. The applicant must also have a sponsor who is a UPHA member.

Associate memberships in UPHA are available to anyone who does not make their primary living from horses, but are still involved and interested in the horse industry.

## **SADDLEBRED RESCUE, INC.**

Saddlebred Rescue is a truly unique rescue that incorporates the thinking and practices of a professional show stable with the realities of the plight of unwanted horses today.

SBR buys all horses in our program mostly from auctions and sales where they were slaughter bound. We have our own professional trainer who works with each horse to evaluate and design a schooling program to help the horse be as place-able as possible.

All horses in our program are evaluated by two professional horse trainers before they are placed. Each horse's overall health condition is assessed by our staff, and veterinarian, if necessary, and immediately-needed health issues are treated. Chronic conditions are recorded as such. All SBR horses are in a lifetime program and will always have the option of being returned to SBR if the adopter's circumstances change.

SBR encourages every potential adopter to visit our facility and try out any of our treasures that may be a potential match. While we encourage visits, we understand it is not always possible to visit us on-site. In these cases, our trainers work with you to understand your needs and to pick out a horse that is perfect for you.

Our placement rate is very high and returns to SBR for incompatibility are almost nonexistent. Every day our professionals work to improve the care, training and placement of our treasures.
