For complete class descriptions and judging specifications see the current USEF Rule Book, available online www.USEF.org. USEF and USDF membership information is contained within this premium material.

DRESSAGE – Morgan Only

Dressage tests (except Introductory Level) will be performed in the main indoor arena or, weather permitting, using an outdoor arena in a 60m x 20m Court. A competitor who does not enter the arena within 45 seconds after the entry bell is rung for his/her ride shall be eliminated. Tests may be called during the competition. Announcing the test is limited to reading the movement as it is written, once only. Unauthorized assistance by anyone is prohibited and is cause for elimination. Per USEF regulations, numbers must be worn at all times when a horse is being exercised or ridden. A horse and rider combination may enter each class one time only. Highest score of all riders entered in class determines winner regardless of the test ridden. In case of a tie the rider with the highest “riders marks” (collective mark) will determine the winner.

Riding times will be sent prior to the beginning of the show. Entries in this section are limited and must be in the hands of the show secretary by the entry closing date. Post entries for Dressage will only be accepted as scratches and availability allow. The Show Management reserves the right to reject any entry, as well as cancel or combine classes as necessary. Management also reserves the right to change the order of the classes as they are listed in the prize list. For Test of Choice classes, please be sure to specify the test you choose to ride on your entry form.

Showmanship is paramount throughout the class. Riders compete at the walk, trot and canter both ways of the ring, line up, and a minimum of the top four (4) riders must be worked individually at the mandatory workout; more may be worked at the judge's discretion. Showmanship is a primary factor throughout the class, therefore, "Show Your Horse" is no longer a necessary or acceptable test. The mandatory workout in all qualifying competitions (except Walk/Trot classes) is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot." The proper calling of the gaits shall be "walk, show trot and canter". One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season, with the exception of the 11 and Under age group. See USEF Subchapter EQ-3, EQ118.17e.2. Judging is based on 60% rail work and 40% on the individual workout. The first four places are eligible for the Chapter Championship. The winner of this class is also eligible for the UPHA National or Junior Challenge Cup Championships. See USEF EQ118.17b Open to Mares & Geldings only. It is required that equipment fit the rider with rider's feet in the stirrups. Failure to comply will result in elimination and the entry will be asked to leave. Attire of the rider shall include Saddle Seat, Hunter Seat, Western Seat, Dressage Seat, Side-Saddle, or Roadster silks. Protective headgear must be worn by riders in lead line classes at all times while mounted. (See USEF GR801 EC Eff 03/21/11). Rider and leader's apparel does not have to match. The rider should be in control of the reins, but the leader must hold a lead that is attached to the bridle/headstall appropriate to the saddle used. To be shown both ways of the ring at a walk only. Riders may not be tied in the saddle in any way. Riders may be lined up side by side or head to tail. Not to mount or dismount. Entries will not be asked to back. Judged on seat, hands and general horsemanship. Suitability of mount to rider to be considered. No cross entry to any other ridden/driven class in this show. NOT USEF.

RANCH PLEASURE – NON USEF

The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. The horse's performance should simulate a horse working outside the confines of an arena and that of a working ranch horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform on the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope of both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back. Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

- RANCH RIDING: Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.
- RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only. The overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness

TRAIL NON-USEF

Horses may be ridden in English or Western tack. Trail horses are required to work over and through obstacles. No horse may enter the trail course area until the course and the judge are ready. Riders will be permitted to inspect the course on foot during the Judge's instructions prior to the start of the class. Tests which may be required are negotiating gate, carrying objects from one part of arena to another, riding through water, over logs or simulated brush, crossing a bridge, backing through obstacles, side passing, and performing over any reasonable conditions encountered along the trail. Course to include a minimum of six obstacles. Two or more horses may be entered by the same exhibitor and the same rider may elect to show more than one horse. Obvious unsoundness must be disqualified with no prize awarded. Rail work shall not be required.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Applications for USDF Participating Membership (PM), Business Membership (BM), Horse Identification (HID) number, and Lifetime Horse Registration (LHR) may be found in the following locations:

**44th Annual
Key Classic
Benefit Horse Show
Evergreen Equestrian Park
Monroe, WA
May 6-9, 2021
Benefiting EQuest Special Riders**

KEY CLASSIC FACT SHEET

What is the Key Classic Benefit Horse Show? The Key Classic Benefit Horse Show is one of two horse shows sponsored each year by the Morgan Horse Club of Washington State. This is the 44th Annual Key Classic Benefit Horse Show. It is a four day show offering classes in Dressage, Driving, Western, Saddle Seat, Hunter, Halter, and other disciplines.

What is the benefit to our youth? Showing a horse at a horse show teaches responsibility, teamwork, good sportsmanship, and perseverance. They learn the spirit of competition, develop relationships with others, and gain confidence. All of these are skills that transfer to other parts of their lives.

What is the Morgan Horse Club of Washington State? Our club was started to promote the Morgan Horse breed in Washington State and to provide Morgan horse owners another way to enjoy their horses. The Club is affiliated with the American Morgan Horse Association. We sponsor horse shows to provide our members with an opportunity to show off our majestic, athletic, and intelligent breed. We are a 501 c 7 not for profit organization.

What is an OTAB Class? Open to All Breed classes offer horses of any breed the opportunity to participate in our show. It is our way to support the equine community in our area since many breeds do not have horse shows specific to their breed.

What is EQuest Special Riders, Inc.? EQuest is a 501(c)3 nonprofit organization (tax ID # 91-1220703) which uses horseback riding to promote physical and mental strength, coordination, and self-esteem for individuals with disabilities. The Key Classic Benefit Horse Show donates a substantial portion of the show proceeds to EQuest. This horse show is an important source of their annual revenue.
